I, Sgt. Smith, first contacted Julia to determine what her basis was for requesting a
welfare check on Madeline again. I was told by Julia that she received information
from her attorney, who she named as Eric Miskell, that there was proof of "satanic
ritual abuse" being done on Madeline, both by Kevin and the grandparents.

Julia advised Miskell knows people that are familiar with Kevin Kramer and knows that
he is in a satanic cult. I asked her if her attorney has reported this information to the
police, and she said no. Julia added that her attorney told her she shouldn't tell
anybody either. I told her that an investigator should possibly talk to Miskell if this
information is in fact true. Julia advised she was told that officers at this department
are possibly bias and not conducting thorough welfare checks due to both of the
grandparents working for the city of Peru. She also added that a member of the police
department may be related to the Kramers. I ensured her there was no bias and no
relationship to a member of the police department that I knew of. I advised Julia that I
would check on Madeline.

I called Mary (Kevin's mother) and learned they were not at her house. I then called
Kevin's phone and got no answer. I drove to his residence and did not make contact
with him there either.

I called Julia and advised her that I was not able to make contact at this time, but
